(Designation) Collector of Coimbatore

To The Secretary to the Government of Madras,
Development Department.
M a d r a s.

Sir,

1-2 of (C)

The District Forest Officer, Kollegal, has applied for the acquisition ~~x~~ of 94 cents of land in R.S. No.119 of Porsegoundanpalayam village in the Kollegal taluk for the construction of a tube-well and subordinates' quarters.

2. The owner, as well as the occupier of the land, is one Gurumallammal of Porsegoundanpalayam village in the taluk. She requests that an itteri (cart-track) running at present in S.Nos.120 and 124 may be diverted in S.Nos.119/1 118 and 117 on the western side which are ryotwari lands ~~xxxxxx~~ standing registered in her name. She states that she is

prepared to give away the extent of land required for the diversion of the itteri from her lands in the three survey numbers referred to above, but she requests that an equal extent of land in R.S. Nos.120 and 124 may be assigned to her in exchange. If this course is adopted she has no objection to the acquisition of the site required by the Forest Department. If not, she requests the grant of compensation of Rs.600 for the whole field, S.No.119 meawuring 2.41 acres. At this rate the value of an acre of land works out to Rs.248-15-5. The above demand is not based on any data. ⊦34 of (2)

3. The Revenue Divisional Officer, Kollegal, reports that it is not feasible to divert the itteri as it will affect the interests of the neighbouring landholders and that the itteri itself will be useful for the Forest Department. It is also reported that the diversion of the itteri is of no practical advantage to Gurumallammal who does not assign any reasons for the diversion. In these circumstances I consider that her objection may be overruled and that the proposal to acquire the land in R.S.No.119 may be proceeded with.

4. The Revenue Divisional Officer in consultation with the Tahsildar fixes the value of the land to be acquired at Rs.160 an acre. This rate is reasonable and may be accepted.

5. There are no houses, buildings, wells, trees, grave-yards, or tombs on the land proposed to be acquired. The land is lying waste.

6. No further land will be required for this purpose.

7. The Supervisor of Industries, Vellore and the Range Officer, Kollegal, have inspected the site, and have certified that the site is suitable.

8. A draft 4 (1) notification (in duplicate) is submitted for approval and publication in the Gazette. ⊦3 infra
